ABOUT US

# Your platform to global competences

To support and augment an organized University – wide environment of research excellence where faculty are inspired and challenged to drive the boundaries of knowledge foundation. To motivate research leaders in India and around the world to partner with us in the expansion of knowledge discovery and the translation of discoveries into tangible benefits for society internationally. To be the voice of the research community at BIHER and in all ways, ensure the optimal and effective use of intellectual, financial and physical resources to foster an environment of research excellence throughout the University. Explore B.Tech Admissions 2026 today!

**WHY CHOOSE BIHER**

# Get ready for a global future

## Ranking and Accreditation

Bharath Institute of Higher Education and Research is the 1st Private University in India to get the coveted international accreditation from **ABET, USA** in the year 2018. Having other accreditations such as **NAAC, NBA, NABL, ISO** and Rankings from **NIRF, QS-World ranking**, MHW, Global Impact Ranking .

## Academics

Multidisciplinary campus for an aggregate of 180+ plus courses have begun and preparation for our new batch of young intellectuals at Bharath are underway. The Sky is a neighborhood for every individual with high dreams and goals; no ceiling

holding you down at our halls of knowledge.

## International

The Initiatives & Collaborations segment leads the university in forging partnerships with foreign institutions in matter relating to academic exchanges, such as signing memoranda of understanding to facilitate faculty and student exchanges, and promoting global advances in pedagogy and teaching-learning BIHER has partnered with Foreign Universities to promote various forms of academic programs and initiatives.

## Assured Placements

With expanding the role of business globally, BIHER is the place which comes to the minds of the recruiters once the placement season starts. We focus not only on the career-oriented growth but offers versatility. There has been a consistent growth in our placements record.
