LAL BAHADUR SHASTRI

Second Prime Minister of India

**Golden words of the Second Prime Minister of India from 1964 to 1966,
Bharat Ratna Shri Lal Bahadur Shastri Ji**

"The basic idea of governance as I see it, is to hold the society together so that it can develop and march towards certain goals."

He was born on 2nd Oct 1904 in a very humble background. He rose to become the Prime Minister of India because of his grit, determination, and Honesty. A firm believer in the social responsibilities of business enterprises, he looked at the economic and social realities of India with a clear vision, never allowing his judgment to be influenced by doctrine or ideological preconceptions. In the administrative sphere, he was an innovator and had the determination to give effect to new ideas. Shastriji's tireless dedication, to the cause of improving the welfare of the Indian people, is an inspiration to all those who look to the future with hope and confidence.

CHAIRMAN'S MESSAGE

Shri Anil Shastri
Lal Bahadur Shastri
Institute of Technology
& Management, Indore
& LBSIM, Delhi

Every citizen of this country has the fundamental right to be educated. But only a fortunate few are privileged to get an opportunity to study in an institution that has a rich historical legacy. Lal Bahadur Shastri Group of Institutions is one such group comprising Technology and Management Institutions across the Country, Where only a chosen few manage to secure admission.

Lal Bahadur Shastri Institute of Technology and Management (LBSITM), Indore has been established in the year 2014 to spread the culture of staying rooted with values, and ethics and at the same time develop skills and competencies to help every student that joins the institute.

ADVISOR'S MESSAGE

Shri Adarsh Shastri

Shri Adarsh Shastri, Advisor, LBSGI, Indore,
former MLA, Govt. Of NCT Delhi & former
CEO of Apple India and Samsung India.
Co-founder of ICEA & GP Eco

Management education is expected to offer a system for developing industry-ready, practically oriented, and conceptually sound professionals for managing and excelling in business operations. The student who comes to study management hails from diversified fields of study and has to work in all sorts and types of diversity. Change is the only permanent and important phenomenon in the business world so one needs to have an attitude to learn and be flexible in implementation.

LBSITM has built the process and practices for developing all the requisites of successful managers like communication and soft skill. development, association with industry for training and exposure, creative and innovative research, teaching based on modern pedagogy, and an excellence-driven culture. We believe in developing human potential by offering exposure to modern work practices in a global economy.

DIRECTOR'S MESSAGE

Prof. (Dr.) Deepak Agrawal Director, LBSITM, Indore

The modern business landscape is increasingly complex and unpredictable. To stay ahead, today's business leaders must be efficient, creative, and strategic in their approach to gain a competitive edge. At the Lal Bahadur Shastri institute of Technology and Management, Indore campus, we recognize the importance of enhancing skills as a key element of the teaching-learning process.

Established in 2014, our institute offers a range of programs, including a two-year full-time Post Graduate Diploma in Business Management, full-time MBA, undergraduate programs like BBA and B Com, and ITI. We employ modern pedagogical techniques, such as case studies, live demonstrations, visitis, and role-plays, to foster a dynamic learning environment.

Our mission is to nurture emotionally intelligent individuals who embody human values and ethics, enabling them to make a positive Impact in their chosen fields.

LAL BAHADUR SHASTRI Second Prime Minister of India

Shri Lal Bahadur Shastri Sewa Niketan (LBSSN), Indore, 1966, a registered Society was established. The Foundation stone was laid by Shri Giani Zali Singh, Honorable President of India.
