| 21.                             | <p>Sapphire Ltd. Was registered with an authorised capital of ₹ 80,00,000 divided into 4,00,000 shares of ₹ 20 each. Company offered and issued 1,50,000 shares at a premium of ₹ 4 per share payable as ₹ 7 on application (including ₹ 1 premium), ₹ 12 on allotment (including ₹ 2 premium) and balance on first call. Rancho, holding 10,000 shares failed to pay allotment and call money. Another shareholder Sultan holding 5,000 shares failed to pay the call money. All the shares held by Rancho were forfeited and of these 8,000 were reissued at ₹ 22 per share as fully paid.</p> <p>Show Share Capital sub head as it would in the Balance Sheet of Sapphire Ltd. along with notes to Account as per the Companies Act 2013.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 4                      |             |          |          |                           |  |     |     |                      |   |             |             |                      |   |           |           |                          |              |              |                             |       |       |                |             |             |                                 |             |             |  |              |              |                    |           |           |   |
| 22.                             | <p>Amit, Sumit and Pulkit were partners sharing Profit &amp;Loss in the ratio 5:3:2. Their Capitals were ₹ 8,00,000; ₹ 7,00,000 and ₹ 5,00,000 respectively. According to Partnership Deed:-</p> <p>(a) Interest on Capital @ 10% p.a.</p> <p>(b) Salary to Amit ₹ 10,000 p.m and Pulkit ₹ 15,000 per quarter.</p> <p>(c) Commission to Sumit ₹ 70,000.</p> <p>(d) Sumit was being guaranteed that his share of profits will not be less than ₹ 65,000. Deficiency if any will be borne by Amit and Pulkit equally.</p> <p>Ignoring the above terms the profits of ₹ 6,00,000, for the year ended March 31, 2025 were divided equally between partners. You are required to pass necessary adjustment entry.
