VIT - A place to learn; A chance to grow

## ABOUT VIT BUSINESS SCHOOL

VIT Business School endeavours to develop thought-leaders, who are innovative, socially sensitive, ethically strong and globally competent. VITBS offers undergraduate (BBA), postgraduate (MBA) and Doctoral (Ph. D) programs in Business. The programs are designed to infuse industry-relevant business principles with deep insights, influencing practice and actively collaborating with Foreign Universities and Industry. VITBS celebrates diversity in its campuses with International and pan-India students and faculty members. International students hail from Europe, Africa and Asia. The school collaborates with Foreign Universities for Overseas Experiential Learning (OLEP), adjunct faculty and foreign degrees in Credit Transfer mode. The Industrial collaboration extends to research, consultancy, internships, projects and placements. VITBS is a fully digitized B-school that facilitates research and learning with relevant e-learning resources from Harvard Business School Publishing & Emerald; exhaustive access to journals; databases such as EBSCO, ABI inform, CMIE prowest and CAPEX; statistical and analytics softwares.

### VISION

To be among the top reputed business schools of choice among prospective students and recruiters by providing intellectual, behavioural knowledge inputs to students and practicing managers who become effective leaders and responsible citizens in the global environment.

### MISSION

To develop innovative, globally competitive and socially responsible leaders.

### CORE VALUES

We promote a 'learning to learn' culture that provides lifelong support in an ever-changing business environment.

We believe in holistic personality development, which lays a great degree of emphasis on the need for ethical behaviour and integrity in business dealings.

We instill social sensitivity into students and provide a platform for the dissemination of scientific management principles for development activities.

We offer management education that provides global perspectives in

### MESSAGE FROM CHANCELLOR

I take pride in stating for the past quarter of a century, students at VITBS have benefited from some of the most cutting-edge education in Business Studies available anywhere. Our MBA programme takes a hands-on approach to education, combining theoretical concepts with real-world scenarios. Graduates of the Master of Business Administration programme at VITBS receive an education that is both challenging and relevant to the business world, and they are equipped to take on leadership roles in the global economy. VITBS's curriculum has expanded in breadth and depth, and it now accommodates analytical minds that are open to new ideas. Our MBA students are taught to ask thoughtful questions while being guided by the principles and beliefs of the company. The MBA programme offers state-of-the-art resources, expert faculty, and a dynamic learning environment. Through International study and instruction from renowned Professors with deep knowledge in their industries, you'll get a 360-degree view of the business world in just 24 months. Foreign exchange opportunities and study at renowned Universities are available in tandem with this programme. I see our VITBS alumnae as among the most intellectually curious, creative, and inventive persons who have been positioned as Business Leaders with well-known corporations, corporate houses, and famous universities worldwide. Many of them are also successful business owners.

I encourage you to apply for the programme and wish you the best!

-Dr. G.Viswanathan,  
Chancellor, VIT

**MANI WOGLI**  
Finance Manager (Finance, Commissions and Analytics), [Sundarban-SandFinance.com](http://Sundarban-SandFinance.com)

I've had the privilege of attending several life-changing seminars and the most impactful VIT activities during my MBA. I developed skills ranging from strategic and financial management to communication. As an early adopter of emerging technologies, I have a strong passion for learning and growth. I have been fortunate to work with some of the best professionals in the industry. Their expertise and mentorship have been instrumental in my professional growth. I am grateful to VIT for providing me with the opportunity to learn from such experienced professionals. This, in addition to my own hard work, has led to my current success.

**SARAVANAN M**  
Project Management Office Executive, HCL Tech

My journey at VIT Business School has been a journey of growth and transformation. It has equipped me with the knowledge, skills, and practical experience needed to excel in the dynamic world of business.

**WASANTHAN VISWANATHAN**  
Vice President and Cluster Head, HDFC Bank Ltd., Trichy

As an alumnus of the VIT Business School, I see that the experience and mentorship we kept encountering challenged and exceeded all expectations.

**KHABEER AHMED**
