4. After examination of the above proposal of APHERMC, the Govt., vide letter dt.18.07.2023 (reference 8th read above) has requested the Commission to review the fee proposal for B.Tech, B.Arch and M.Tech programmes duly considering certain parameters mentioned therein. "...this Court deems it appropriate to enhance the existing fee of the academic year 2022-2023 at the rate of 10% for the present academic year 2023-2024, but as far as minimum fee is concerned it should be enhanced more than 10% and finally it is agreed at Rs.43,000/- by all the stake holders. For the reasons stated above, the respondents are directed to notify and publish minimum fee at Rs.43,000/- and in respect of other colleges whose existing fee for the year 2022-2023 is more than minimum fees, its fees should be enhanced from the existing fee of the academic year 2022-2023 at the rate of 10% for the present academic year 2023- 2024, as a tentative measure till the finalization of the fee by the Respondent Commission and subject to result of the writ petition."

Accordingly, the admissions have been conducted for AY 2023-24 with the said fee structure.

"8. We, therefore, direct the Government to take an appropriate decision at the earliest, preferably within two weeks from today, on the recommendations made considering the fact that the process of counselling is already underway and that both the institutions and the students should be aware of the extent of their right to receive fee and the obligation of the students to pay the fee to that extent."

13. After examining the entire issue, Government have decided that fees proposed by the APHERMC for M.Tech Engineering programme for the block period 2023-26 in its 92nd Meeting on 19.07.2023, furnished vide their letter 9th read above, be notified for the AY 2024-25, subject to outcome of Writ Appeals pending before the Hon'ble High Court.
