

Our Heritage

The establishment of Nopany Institute in 2002 in West Bengal added a new chapter to an illustrious heritage. The origin of the institute was with the establishment of Nopany Foundation in 1993 to provide job oriented quality education as per the standards of industry requirement. At present Nopany Institute offers five different / distinct courses in multiple specializations and is regarded as one of the best educational institutes in eastern India.

Our Objectives

To mould the minds of the young and create in them a desire to live in the modern society as honorable and worthy citizens.

To develop a passion for learning and academic excellence.

To build a solid foundation for the future learning of the students.

To build leaders for tomorrow to take over the challenge in the fast changing competitive environment of industry and business.

To ensure that students from all fields emerge with the ability and to build themselves a promising future in their respective fields.

To identify the requirements of the modern world and to implement educational programs accordingly.

To provide career solutions and produce professionals who will prove their worthiness as capable and efficient individuals.

Current Status

Nopany Institute is, at present imparting education to more than 1000 students in its 2 colleges in Kolkata. It is dedicated in providing students, professional and industry oriented training which enables them to be employable and economically independent.

Entrepreneurship Guidance: Our team members also guide the interested students who want to be the entrepreneur in their own field.

BBA
(Bachelor in Business Administration)

Duration: 8 semesters in 4 years

In today’s globalized world, both government and private firms lead a country’s economic development. Therefore, it is necessary to hire qualified efficient professionals for decision making, who can generate wealth for the organisation. This is the main reason why we recommend studying and making a career in business administration.

As its name indicates, it refers how to administrate or manage a firm, so that resources are gathered and used properly to achieve the firm’s objectives as well as profits. This profession is closely related to Economics, Finance, Accounting, Human Resource and Marketing.

Eligibility:
Passed 10+2 or equivalent from any board/council recognised by the **MAKAUT**, WB

8

BCA
(Bachelor in Computer Application)

Duration: 8 Semesters in 4 years

In today’s competitive technology savvy world requires technically efficient professionals. With the rapid growth of IT industry, the demand of computer professionals is increasing day by day. This increasing growth of IT industry has created a lot of opportunities for the computer graduates to work in the IT sector as programmers or software developers.

BCA comprises of the subjects like database, networking, data structure, core programming languages like ‘C’ and ‘Java’.

In this context, Nopany Institute is fulfilling the purpose of the young IT professionals.

Eligibility:
Passed 10+2 or equivalent from any board/council recognised by the **MAKAUT**, WB

8

BBA-HM
(Bachelor in Hospital Management)

Duration: 8 Semesters in 4 years

Healthcare is one of the fastest growing industries in the country, particularly in Eastern India. The hospital management course prepares a student for the overall management of a hospital, to ensure its smooth functioning through maintenance of all infrastructure and equipment as well as coordination with various departments. The hospital administrator’s function is to ensure highest quality care at lowest cost with the objective of ensuring patient satisfaction.

This course is a unique combination of multidisciplinary areas like Medical Terminology, Hospital & Health System, Hospital Operations Management, Medical Record Science, and Epidemiology & Analysis of Health Information Data etc.

Therefore, this course imparts training related to medical field and provides an opportunity to work in prestigious hospitals along with doctors.

Eligibility:
Passed 10+2 or equivalent from any board/council recognised by the **MAKAUT**, WB

BPT
(Bachelor in Physiotherapy)

Duration: 4½ years

BPT provides tremendous opportunities in health services as well as in academics. It offers scope for specialization in Orthopedics, Neurology, Sports, Gynecology etc. A candidate can pursue Master and a Doctoral degree for specialization in clinics or academics.

On successful completion of the course one becomes a health care professional, institutionally educated and clinically trained in the field of physiotherapy.

One can also independently practice the profession in a clinic or establish a clinic or seek employment in a hospital (Government or Private). You can pursue higher education at the Masters degree level or any other higher qualification in India or abroad or take up further research in the field of Physiotherapy.

Eligibility:
Passed 10+2 or equivalent from any recognized board, University or council with Physics, Chemistry, Biology and English as compulsory subjects.

MPT
(Master in Physiotherapy)

Duration: 2 years

Nopany Institute of Healthcare Studies (NIHS) is also the first private physiotherapy college in Kolkata offering Master Degree in the discipline of Physiotherapy. This MPT course started in the year 2008.

Eligibility:
Passed B.Sc. (PT) / BPT degree / BPT Condensed degree (2 years) from this University or any other University in India or abroad recognized as equivalent by The West Bengal University of Health Sciences.

Candidates from other Universities will have to produce Migration Certificate from their respective Institutes.

No candidates shall be admitted for the post graduate course unless the candidate has obtained and produced the eligibility certificate issued by The West Bengal University of Health Sciences.
