TIMELINE OF GROWTH

KIIT was founded as a modest Industrial Training Institute by the eminent educationist and social activist Prof. Achyuta Samanta in 1992. However, it evolved into a higher education institution only in 1997. Since then, it has consistently attained academic accolades, transforming into a worldclass knowledge hub.

Education is the third eye of a child.

Achyuta Samanta's contributions have touched the lives of thousands of individuals and helped improve the socioeconomic conditions of the region. His story serves as a reminder that one's upbringing does not determine their potential, and with hard work and perseverance, one can attain greatness.

KIITEE 2025 - 26 PROSPECTUS

"Education is the third eye of a child."

FOUNDER'S Message

Dear Aspirants,

Gindustrial Technology (KIIT) Deemed to be University, Bhubaneswar (Odisha)!

We thank you for showing your interest in the academic programmes of KIIT Deemed to be University.

KIIT is one of the most promising deemed universities in India and has widely been known and valued for its eminence in academic and research domain, innovative

curricular and extracurricular activities, entrepreneurial spirit, vibrant scholastic exchanges, wide social outreach, and sports achievements. It takes pride in being the most student-friendly campus in the country and is a second home to 40,000 students from all parts of India and 65 countries.

KIIT began as a modest institution in 1997, but ascended quickly in all national and international rankings. It is ranked among the top 15 universities in India by the NIRF India Rankings of the Ministry of Education, Govt. of India. KIIT is also accredited by the National Assessment and Accreditation Council (NAAC) and National Board of Accreditation (NBA) in the highest grades. Moreover, it is ranked 10th in India and 168th globally in the Times Higher Education Young University Rankings 2024. Despite being a young institution, it has been placed in the 601–800 cohort globally by the prestigious Times Higher Education World University Rankings 2024.

KIIT is the only university in India accredited by both ABET (USA) and IET (UK), in addition to being accredited by all statutory bodies of the Government of India. Enhancing exposure and opportunities for its students, KIIT has recently partnered with UN Volunteers (UNV) and the American Council of Young Political Leaders (ACYPL). KIIT's growth is driven by a steadfast commitment to its students' success. The institution prioritizes holistic development, empowering students to excel not only in their chosen careers but also in various facets of life. KIIT's cosmopolitan campus offers comprehensive facilities that nurture students' diverse interests and abilities, resulting in consistently high-achieving graduates. Known for its outstanding placement record since inception, KIIT has built a reputation for excellence in both academics and career readiness.

Students have also excelled in many other socially relevant fields such as entrepreneurship, academic placements in top national and global universities, and success in competitive examinations like civil services and judicial services. KIIT students have scripted many glorious wins for the country in the field of sports. Remarkably, the university has produced as many as eight Arjuna Awardee athletes and 23 Olympians.

We look forward to having you on board. My best wishes to you! (Prof. Achyuta Samanta) Founder

Founder, KIIT & KISS

ROSPECTUS

CHANCELLOR'S Message

extend my hearty congratulations as you embark on a journey of academic excellence at Kalinga Institute of Industrial Technology (KIIT), Deemed to be University in Bhubaneswar.

Despite being a relatively young institution, having been established in 2004, KIIT has risen to remarkable heights, thanks to the visionary and philanthropic founder, Prof. Achyuta Samanta. Currently, KIIT ranks among India's top 15 public and

Shri Ashok Kumar Parija

Chancellor, KIIT Deemed to be University

private universities in the NIRF India Rankings 2024 by the Ministry of Education, Government of India. Internationally, KIIT has steadily gained recognition, securing a place in the 601-800 range in the Times Higher Education World University Rankings 2024. Furthermore, the institution is accredited by NAAC and NBA with top ratings.

At KIIT, you will join a vibrant community of dedicated professors, motivated peers and lifelong friends. I encourage you to push your boundaries, embrace curiosity, and aim to reach your fullest potential. With its student-focused approach, KIIT offers exceptional resources and opportunities, that foster confidence, competence, and the adaptability needed to succeed in today's ever-evolving world.

KIIT has an impressive record in campus placements and is preferred for recruitments by top multinational companies. Our students have thrived in various fields- from securing admissions to prestigious global institutions and excelling in entrepreneurship to succeeding in competitive exams such as that of the Indian Civil Services and Judicial Service. Through partnerships with over 350 renowned institutions worldwide, KIIT offers unmatched global exposure. Additionally, KIIT supports a robust sports infrastructure, having produced eight Arjuna Award-winning athletes and 23 Olympians.

I sincerely hope that you make the most of the abundant resources and opportunities available at KIIT. May your coming years, here at KIIT, be marked with ambitious pursuits, personal growth, and meaningful friendships that will last a lifetime. The community you cultivate at KIIT will not only support you but will also expand your perspective, and help shape the person you aspire to become.

Welcome to KIIT! Wishing you an exciting and fulfilling year ahead.

KIITEE 2025 - 26 PROSPECTUS

Prof. (Dr.) Saranjit Singh Vice Chancellor, KIIT Deemed to be University

VICE CHANCELLOR'S Message

elcome to the Kalinga Institute of Industrial Technology Deemed to be University !

With world-class faculty, groundbreaking research opportunities and a commitment to fostering a diverse environment of bright, talented students, KIIT is more than just a place to get an education — it's where students pursue limitless possibilities. As the Vice Chancellor, it is my honor to invite you to join our vibrant community of learners, researchers, and innovators.

Kalinga Institute of Industrial Technology (KIIT) was established by Prof. (Dr.) Achyuta Samanta, an Educationalist & Philanthropist, has gained worldwide recognition for its academic quality, community outreach, and humanitarian focus. Under his visionary leadership, KIIT has grown rapidly over 25 years, setting a unique example in Indian education—a transformation often described as a journey from "Soil to Silver."

Since its inception, University emphasizes holistic, industry-aligned education, fostering autonomy for faculty to bring lab and industry insights into the classroom. Its flexible curriculum allows students ample scope for exploration through projects, global study programs and collaborative research, enriching their professional readiness. The modest institution has now grown to an incomprehensible scale, spanning a vast 36- square-kilometre academic township with 33 lush green campuses, employing over 3,000 faculty and 15,000 staff, making KIIT, KIMS & KISS a community of over a lakh people. The campus features a 2,600-bed super-specialty hospital, a modern library, research facilities, an innovation tower, auditoriums, food courts, international-standard sports complexes and a rose garden. The institution takes pride in being the greenest campus in India.

The University has adopted and aligned itself with the New Education Policy 2020 through multi entry, multiexit, choice-based credit system; inter-disciplinary courses, blended with outcome based education. We believe that true progress can only be achieved through a commitment to academic excellence and a relentless pursuit of cutting-edge knowledge. As we embark on this new academic year, the University is committed to continue to provide a nurturing and inclusive environment that supports the needs and aspirations of our students. At KIIT, along with academics and career building skills, camaraderie and everlasting bonds, you will learn life skills that will take you far in the journey of life. As you consider joining us, know that you are choosing a place where ideas flourish, dreams take shape and lifelong connections are forged. Together, let us create a legacy of achievement and make KIIT a distinguished center for learning, discept and societal impact.

University of Compassion & Humanity

KIIT DEEMED TO BE UNIVERSITY

m

10

Global Recognition

Committed to excellence and global cooperation in higher education, KIIT Deemed to be University is a member of prominent national and international university networks such as:

International Association of Universities (IAU) Association of Indian Universities (AIU) Association of Commonwealth Universities (ACU) University Mobility of Asia and the Pacific (UMAP) International Association of University Presidents (IAUP) Association of Universities of Asia and the Pacific (AUAP) International Institute of Education (IIE), New York United Nations Academic Impact (UNAI) Eurasian Silk Road Universities Consortium (ESRUC)

www.kiit.ac.in

KIIT was founded in 1992 as a modest vocational training centre, but it was expanded as a centre of higher learning in 1997, which is considered as the base year. The first batch of degree engineering students graduated in 2001.

KIIT is renowned for its highly successful track record in campus placements since its establishment. The University consistently achieves an excellent placement record due to its studentcentric culture and innovative teaching-learning system, led by a highly qualified and competent team of faculty. Its proactive Training & Placement Cell meticulously prepares each student for a seamless transition to a rewarding corporate career.

Placement

Cent percent placement every year

ACADEMIC PLACEMENT

KIIT has academic tie-up with 195 international universities providing an excellent opportunity for students to pursue higher education abroad. KIIT facilitates the academic placement of about 500 students every year in reputed national and international institutions for higher studies. Students have got confirmed offers from top European and American universities for higher education courses, including Ph.D.

ROSPECTUS

CAMPUS PLACEMENT (For 2023 Graduated Students)

KIIT took shape as an institution of higher learning in 1997. Since then, it has been recording near total placement in all academic programmes, irrespective of macroeconomic and job market scenarios. Campus placement for the 2023 Graduated Students has been outstanding. There was a significant jump in the average pay package offered to students, taking KIIT in the league of top National Institutes in terms of pay offered to the students in the campus placement. Overall placement conversion was 95% considering all Schools.

Highlights

Over 750 companies visited for campus placement of about 5000 eligible students from the Schools of Technology, School of Management, School of Rural Management, School of Biotechnology and School of Law and approximately 6200 offers were generated.

Overall placement conversion was 95% considering all above Schools.

- For KIIT School of Technology, 5200 plus job offers were made by about 450 companies. Out of these, approximately 2000 were Dream Offers with an average CTC of 8.20 LPA. Aside, 1800 plus students bagged multiple offers. Maximum number of 302 offers were made by Capgemini followed by Bosch Global Software Technologies with 242. The highest CTC of Rs. 63 LPA was offered by Yugabyte. More than 155 companies offered CTC of Rs. 5 LPA plus, while 47 companies offered CTC of Rs. 10 LPA or more. Also, more than 1500 paid internship opportunities were generated.
- I40 plus companies visited KIIT School of Management for placements of MBA students. The highest CTC was Rs. 22.75 LPA and average CTC was Rs. 9.00 LPA. In total, around 360 plus offers were generated.
- KIIT School of Biotechnology recorded 96% placement with substantial proportion of students opting for higher studies. Over 40 companies participated in the campus placement drives.
- In total, 65 law firms and corporates visited KIIT School of Law for placements. The highest CTC offered was Rs. 21 LPA (International) and Rs. 13 LPA (Domestic). 81% of the students got the career opportunities from the campus with an average CTC of Rs. 5 LPA.
- In KIIT School of Rural Management, 60 companies visited for the batch size of 133 students. The highest package offered was Rs. 9.50 LPA and average CTC was Rs. 5.50 LPA. It achieved a record placement of more than 96% of the students placed.

HOSTEL

There are separate hostels for boys and girls with round-the-clock wireless internet and intranet connectivity. About 30% of the hostel rooms are air conditioned. All the hostels have attached canteens serving good quality Indian and Continental foods. A dedicated international hostel accommodates foreign students. Each hostel has a 24-hour reading room and facility for indoor and outdoor games.

- Hygienic Kitchen & Dining Hall
- Round the clock internet and intranet Facility
- 24-hour Reading Room Facility
- Facility for all types of indoor and outdoor games
- Flooring with marble tiles
- Good quality Indian & Continental Food

Seat Rent, Establishment & Electricity Charges :

- Non-AC Hostel Two-bedded Rs. 46,000/per semester
- Non-AC Hostel Three-bedded Rs. 32,000/per semester
- Non-AC Hostel Two-bedded Rs. 36,000/per semester(only for Law Hostel)
- AC Hostel Three-bedded Rs. 60,000/– per semester
- AC Hostel Two-bedded Rs. 70,000/per semester
- Hostel admission & other fees Rs. 15,000/-(one-time)

N.B: Student availing premium facilities in hostel like attached toilet has to pay extra Rs. 10,000/- per semester.

Examination Fees per Semester: Rs. 1000/-

Registration Fees for the 1st semester will be collected at the time of counselling and for the rest of the semesters, the registration fees will be collected at the beginning of each semester. Examination Fees will be collected during the Form Fill up for the Semester Examination.

REFUND RULES

- I. Refund as per UGC guideline
- Requests for withdrawals should be made in the prescribed application available in our website.
- In case of Foreign student candidates, the refund will be made in accordance with Foreign Exchange Regulations.

EDUCATION LOAN

Joining KIIT ensures a high quality placement in future. Therefore Nationalized/Private Banks are coming forward to finance all types of educational expenses of KIIT students including college fees, boarding charge, hostel messing charge and any other ancillary study expenses like purchase of computer, study materials etc.

KIITEE 2025 - 26 PROSPECTUS

There is an ever-growing need for sound technical education, research and consulting activities all around the globe. Hence the demand for scholars will continue to soar in the country for many decades to come. The overall objective of the Doctoral program is to identify and provide solutions to problem of relevance to the society, industry, academia and even to the Government. Special emphasis is on adoption of appropriate technology coupled with indigenous innovations.

The long-term goal of KIIT is to play a vital role in bringing to life the aspirations of the society through creation of leaders for the future. The Doctoral program seeks to instill values, professional ethics and above all the knowledge that would enhance the individual's efficiency to work for a better future.

Ph.D. (ENGINEERING/TECHNOLOGY)

Civil Engineering : Structural Engineering, Waste Material Utilization, Ground Improvement, Water Resource Engineering, Bearing Capacity, Remote Sensing and GIS, Geotechnical Engineering.

Mechanical Engineering : Machine Design, Thermal Engineering, Production, Industrial Engineering.

Electrical Engineering : Power Systems, Power Energy Engineering, Power Electronics, Al Techniques

Electronics Engineering : Signal Image Processing, Microwave and antenna, communication, VLSI Design

Computer Engineering : Cloud computing, Data Analytics, Image processing, Software Engineering , Networking.

Ph. D in Applied Science (Physics, Chemistry, Life Science, Environmental Science)

Computational Physics, Opto Elctronics, Bio Physics, Material Science, Nano Materials, Organic Synthesis, Environmental Science, Life Science

Ph. D in Applied Science (Mathematics)

Fluid & Solid Mechanics, Differential Equation, Numerical Analysis, Functional Analysis, Sequence spaces, Optimization, Complex Analysis, Graph Theory, Reliability, Fuzzy Logic.

Ph. Din Architecture

Sustainable Development and Energy Efficiency of the Built Environment, Cultural Heritage Studies, Climate Change and Disaster Resilient Built Environment, Urban Design Studies and Management, Circular Economy, Architectural Theory, Innovation in Construction Technology and Materials

Ph. D in Biotechnology / Chemical Engineering

Infection Biology, Cancer Biology, Bio Materials, Nano Bio Technology, Bio Process Engineering, Imunology PROSPECTUS

Ph. Din Health Science

Medical

General Psychiatry, Anatomy, Physiology, Microbiology, Biochemistry, Community Medicine, Pathology, Clinical Immunology, Pediatrics and Child Health, Neonatal Health, Molecular Biology.

Dental

Oral & Maxillofacial Surgery, Oral Medicine & Radiology, Pediatrics and Preventive Dentistry, Prosthodontics and Crown & Bridge, Public Health Dentistry, Orthodontics and Dentofacial Orthopedics, Periodontology, Conservative Dentistry & Endodontics, Oral Pathology & Microbiology

Nursing

Neonatal Nursing, Palliatives Care, Child Psychiatric Nursing, Forensic Psychiatry Nursing, Non Communicable Diseases, Neuroscience Nursing, Adolescent Health, Pain Management

Ph. Din Mass Communication

Journalism Studies, Film Studies, Media and Society, Community Media, Development Communication, Public Relations, Digital Media, Advertising

Ph.D. in Liberal Studies

Humanities, English Literature and Linguistics, Sociology, Psychology, Library Science & Political Science.

Ph. Din Language / Literature (English)

Postcolonial Literature, Indian Literature, Indian English Literature, American Literature, Environmental Theory & Criticism, Trauma Studies, Partition Studies

Ph.DinLaw

Corporate Law, Criminal Law, Criminology, International Criminal Law, Family Law

Ph. Din Management and Rural management

Banking and Insurance Management, Business Economics, Entrepreneurship Management, Financial Management, Human Resource Management, Marketing Management, Organizational Behaviour, Strategic Management, Technology Management, Rural Management.

Ph.D in Public Health

Public Health, Hospital Administration

Ph.D in Economics and Commerce

Economics, Commerce, Sociology, Psychology

Ph.D in Physical Education & Sports

There are limited seats in Nursing, Public Health, Yoga, Journalism and Mass Comm.

Eligibility

M. Tech. / ME / MCA / MBA / M.Sc. / MD / MDS / MA / M. Com /LLM or an equivalent degree with minimum 60% marks or an equivalent Cumulative Grade Point Average (CGPA).

The selection will be made on the basis of performance in the written examination and interview as per the UGC guidelines. Written test is not mandatory for applicants with valid NET or GATE scores. For Project staff / JRF without NET / GATE, written test is mandatory.

Interview for Ph.D subjects like Language (English), Life Science will be conducted in joint boards for English (Humanities and Language) and Life Sciences (Bio- Technology and Life Science) respectively.

The Institute admits Ph. D students under the following categories:

Regular Scholars: Those who shall receive regular assistantship from the University or other recognized / approved sources like AICTE, UGC /CSIR / Gol / Projects etc.

Self - Supporting Scholars: Those who will not receive any assistantship.

Sponsored Scholars: Those who are sponsored by government departments, reputed industries/ external research academic organizations. Such candidates should have been in service in his / her respective organization for a period of at least three years and must provide a sponsorship certificate from the employer in the prescribed form at the time of applying.

Executive Ph.D. Scholar

Foreign Scholar: Admission is as per Govt. of India norms.

Financial Support

Teaching assistantships are available in all departments to meritorious candidates depending on the requirement of the department. A student receiving fellowship or assistantship is required to assist faculty members of the department in teaching activity. He/She may be required to take theory, tutorial or laboratory classes and may assist the students in their project work. Students not receiving a fellowship or assistantship may avail work opportunities on campus in R&D projects and the Institute's academic program

Rate of Fellowship:

Rs. 30,000/- per month for 1st, 2nd, 3rd & 4th Year

Other scholarships like UGC, CSIR, ICMR etc, may also be available to students who had qualified in these schemes and get admission in KIIT. In such cases, the assistantship will be as per the norms of the funding agency.

Duration

Financial support is initially for a period of one year. All financial support can be renewed on satisfactory performance. Maximum duration of financial support is ordinarily for 4 years..

Admission Procedure

 Admission to all the categories of students will be on the basis of performance in the written examination and interview.

- II. In the case of 'external registration' candidates, the following additional conditions should be satisfied:-
- A. The candidate must submit details of the facilities relevant to the research programme available in the organization where he/she is employed, duly certified by the sponsoring authority.
- B. The candidates will have to submit a certificate from the sponsoring authority that the required facilities will be made available by the organization.
- C. The bio-data of the external supervisor, if any, should be submitted for approval by the Research Chair / Vice-Chancellor.

Course Requirements

All Ph.D. students are required to register and successfully complete a minimum number of course credits as per the Ph.D rules of the Institute, details of which will be made available to the students at the time of admission. Curriculum and syllabus will be decided by the Research Scrutiny Committee (RSC). The RSC may consider full or partial remission of course work and residential requirement as considered appropriate in deserving cases.

Registration

A candidate is required to register with a specific faculty guide in a selected area of specialization at the time of enrolling for the programme with duly filled in application form along with documents and by paying the requisite fees. On successful completion of prescribed courses the candidate gets registered with effect from the date of enrollment or a semester later depending on the candidate's qualification (M.Tech or B.Tech) as the case may be. A similar rule will apply to M.Phil or M.Sc/M.A/M.Com/MBA/CA candidates. Subsequently, registrations are renewed at the beginning of every semester, subject to satisfactory progress in work. The prescribed fees must be paid each time as per the notifications.
