Research Project

Students apply the theories, concepts and analytical tools learnt in the 1st and 2nd year to work on a research project.

Internships

- 1 The program offers an opportunity for deep interaction with industry at various stages.
- 2 At the end of 2nd year, the students are expected to undertake a Social Involvement Project (SIP) designed to sensitize the students to the issues faced by society at large and contemplate innovative ways to resolve these challenges.
- 3 At the end of 3rd year of the program, students who opt to continue in the program will do a summer internship for 8-10 weeks with corporates. IIM Amritsar hosts recruiters from some of the leading companies in the Banking, Financial Services, and Insurance (BFSI) and Fintech sectors in the country.

Admission Process

- ☒ Fill the application form available at www.iimamritsar.ac.in on or before 12th April 2025
- ☒ Also, apply for the IPMAT conducted by IIM Indore. For details of IPMAT, please visit www.iimidr.ac.in. The test comprises questions on logical reasoning, Mathematics, and verbal ability in English.*
- ☒ From the applications received at IIM Amritsar, a list of short-listed candidates will be released based on the IPMAT scores and other eligibility criteria.
- ☒ Shortlisted candidates will be required to appear for a personal interview conducted by IIM Amritsar faculty. This will be to assess the candidate's communication skills and general awareness.
- ☒ Further details such as eligibility criteria, program fees, regular updates on the admission process, application deadlines, and shortlists will be available on the IIM Amritsar website at www.iimamritsar.ac.in

* The candidates should follow the IPMAT advertisement available on the website of IIM Indore for Registration of IPMAT 2025 Examination. IIM Amritsar will use IPMAT 2025 score for short-listing/selecting the candidates for our under-graduate Programme(s) in Management. IIM Indore has no role either in the selection process or in the conduct of the programme.

Students' Activities

In addition to a rigorous academic environment, IIM Amritsar offers a wide range of opportunities for students to pursue their interests through various student-run clubs and committees. Aarunya, the annual festival and Kritansh, the annual sports meet, a series of conclaves and interactions with industry leaders, quizzes and competitions, participation in various intercollegiate events, cultural performances at the Wagah Border... the excitement goes on.
