About Future University

WHERE INNOVATION MEETS EDUCATION

From a **Legacy of Excellence** to a Future of Innovation

For over 15 years, Future Group of Institutions (2009-2024) has been a symbol of academic excellence and career success. In 2024, we embarked on an exciting journey of transformation, evolving into Future University, Bareilly—a next-generation, AI-driven, industry-focused University designed to equip students for leadership in an ever-changing global landscape.

At Future University, education goes beyond traditional teaching—we shape future leaders, innovators, and change-makers. Our curriculum, aligned with NEP 2020, is enhanced by cutting-edge AI-powered learning tools and strategic industry collaborations.

This dynamic ecosystem ensures that talent meets technology, ambition finds opportunity, and dreams become reality. We are dedicated to learning without boundaries, innovating without limits, and leading beyond expectations. Join us at Future University to experience revolutionary education and launch your future-ready career with confidence!

Recognitions & Approvals

Message
from the Chancellor

Education is the cornerstone of a progressive society, and at Future University, we are dedicated to nurturing the leaders, innovators, and change-makers of tomorrow.

For over 15 years, our legacy as Future Group of Institutions has been built on excellence, integrity, and a commitment to empowering students with the knowledge and skills needed to succeed in an ever-evolving world.

Our transformation into Future University in 2024 marks the beginning of an exciting new chapter—one where we embrace AI-driven learning, industry-aligned programs, and a global outlook. With a future-focused curriculum, state-of-the-art infrastructure, and robust academic and industry collaborations, we ensure that every student graduates as a job-ready, future-proof, and globally competitive professional.

I invite you to join us on this transformative journey and experience education that goes beyond degrees—education that drives impact, fosters innovation, and leads to success.

Mr. Mukesh Gupta
Chancellor
Future University, Bareilly

WHAT SETS
FUTURE UNIVERSITY
APART

Where Innovation, Industry & Excellence Converge

AI-Powered Personalized Learning

Smart AI-driven learning adapts to students' needs, ensuring better engagement and career guidance for a future-ready workforce.

Advanced AI Lab The Future of Innovation

Hands-on experience in machine learning, deep learning, and automation, preparing students for top careers in AI, robotics, and data science.

NEP 2020-Based Multidisciplinary Curriculum

Flexible, choice-based credit system with dual degrees, skill-based courses, and real-world projects for holistic learning.

Industry-Integrated Curriculum

Designed with global industry leaders, offering internships, corporate projects, and case studies to ensure job-ready professionals.

100% Placement Assistance with Top Recruiters

With ₹54 LPA highest package & 250+ recruiters, students receive career coaching, mock interviews, and AI-driven resume building.

Live Projects, Startup Incubation & Global Certifications

Incubation support, expert mentorship, and global certifications from top industry leaders to launch innovative careers.

Cyber Security Lab Ethical Hacking & Digital Safety

Training in ethical hacking, cyber forensics, and digital security, preparing students for high-demand cybersecurity careers.

Global Industry Tie-Ups for Future-Ready Skills

Exclusive certifications and internships through IBM, Xebia, L&T, EC Council, and ACCA, opening doors to global careers.

German & French Language Classes for International Careers

Free international language classes to boost global employability, overseas placements, and study-abroad opportunities.

World-Class Campus with Innovation & R&D Labs

A technology-driven campus with smart classrooms, AI labs, and research centers, fostering creativity, leadership, and innovation.

Learning with a Credit-Based System

At Future University, we fully embrace NEP 2020, implementing a
Choice-Based Credit System (CBCS) that offers:

Multidisciplinary Approach
Pursue dual degrees &
cross-domain expertise

Hands-On Industry Exposure
Live projects, internships
& skill-based modules

Future Proof Skills
for the evolving job
market

AI-Enabled Smart Curriculum
Adaptive learning for
future-ready skills

Dual Degree Option
& multidisciplinary
learning

Career-Focused Education
Preparing students for the
workforce of tomorrow

Flexibility. Innovation. Excellence

4-year Undergraduate Degree (Honours with Research)

The students who secure 75% marks or a 7.5 CGPA and above, in the first six semesters, and wish to undertake research at the UG level can choose a research stream in the fourth year.

Such students should do a research project or dissertation under the guidance of a faculty member of the University. The research project/dissertation will be in the major discipline. The students who secure 160 credits, including 12 credits from a research project/dissertation, are awarded a 4-year UG Degree (Honours with Research).

4-year UG Degree with Honours

In the event, students fail to secure 75% marks or a 7.5 CGPA in the first six semesters, they will be awarded a 4-year UG Degree with Honours only. In addition, students not undertaking research will do 3 courses for 12 credits in lieu of a research project / Dissertation.

Student Clubs

GOONJ Club

Celebrating cultural diversity, GOONJ Club provides a platform for students to express their creativity through festivals, workshops, and performances, fostering inclusivity and artistic talent.

SPARDHA Club

Promotes physical well-being and sportsmanship, SPARDHA provides opportunities for athletic skill development through championships, challenges, and team-based events.

AAKRITI Club

AAKRITI encourages creative expression through visual arts, offering workshops, exhibitions, and collaborative projects that inspire imagination and artistic growth.

IMPRESSIONS Club

Dedicated to social impact and personal growth, IMPRESSION'S club engages students in community service, skill-building workshops, and awareness campaigns to foster responsible leadership.

PRAYATNA Club

Focused on bridging academics with real-world management, PRAYATNA offers hands-on experiences through workshops, competitions, and industry interactions to develop leadership and decision-making skills.

EINSTEIN Club

Aims to nurture innovation and scientific curiosity, Einstein Club organizes technical workshops, research projects, and competitions, encouraging hands-on learning and technological excellence.
