About the Institution

Vidyavardhaka Sangha (VVS) stands as a synonym for quality education in the heritage city of Mysuru. VVS was established in 1949 by great visionaries, namely Sri Sahukar Channaiah and Sri K. Puttaswamy (Former Minister of Karnataka), to impart quality education to all sections of society. There are ten educational institutions starting from nursery to engineering college under the aegis of VVS. At present, VVS is under the able guidance of Sri Gundappa Gowda, President; Sri Shivalingappa B, Vice President; Sri Er P. Vishwanath, Secretary; and Sri Shrishaila Ramannavar, Treasurer.

VVCE - A Leading Institution in Engineering & Management Education, Vidyavardhaka College of Engineering (VVCE) is one of Karnataka's top engineering institutes located in the heart of Mysuru city. VVCE is an Autonomous Institute affiliated to Visvesvaraya Technological University. VVCE is accredited by NACC with an A Grade and all the 6 eligible UG programs are accredited by NBA, New Delhi. VVCE has excellent infrastructure and offers a futuristic curriculum delivered by competent and experienced faculty. VVCE has the best placement record. We believe in quality education with practical exposure to the latest technologies. VVCE offers a vibrant and inspiring campus life for the students.

OUR VISION:

"VVCE shall be a leading institution in engineering and management education, enabling individuals for significant contribution to the society."

OUR MISSION:

- To provide the best Teaching-Learning environment through competent staff and excellent infrastructure.
- To inculcate professional ethics, leadership qualities, communication, and entrepreneurial skills to meet the societal needs.
- To promote innovation through research and development.
- To strengthen Industry-Institute interaction for knowledge sharing.

TESTIMONIALS

Batch (2023)

“

I am pleased to recognize the outstanding efforts of our college's placement department. They have assisted several students achieve their dream jobs. As of me, I am placed in Automotive Axels. The department's dedication to offering outstanding placement chances and advice has been irreplaceable, and I would want to personally thank them for assisting me in achieving my career goals.

Vaishnavi P, EEE

“

Choosing VVCE provided me with the finest version of myself. With the assistance, I was able to be the best outgoing student in the entire college as well as the top outgoing student in the Department of Mechanical Engineering. Under the capable leadership of the department's faculty members, I was able to achieve a lot at the International, National, and University levels. I am very proud of my decision and thankful to the department for believing in me.

Spoorthi Manjunath, ME

“

I am delighted to share my experience with VVCE and its Training and Placement cell. They have provided me with invaluable resources and support, including opportunities for hands-on learning, career guidance, and networking. The staff is dedicated, knowledgeable, and always willing to go above and beyond to help students succeed.

Karthik Udupa G V, ISE

“

I was hired as a Survey Engineer by a company called Black Olive Ventures. I am grateful to VVCE for assisting me in learning the courses in a more effective manner by including us in hands-on sessions, visits of constructing sites, technical speeches by industry experts, and engagement with professional bodies.
