# ABOUT THE PROGRAMME

In the contemporary world of rapidly changing global business, which is technology-driven and consumer-oriented, the acumen needed for managers is being revolutionized. Recognizing this, the institute has designed a comprehensive MBA programme. Thus came to light the "School of Management", now known as Department of Management Studies (DMS), in the precincts of NIT Warangal. The department has an annual intake of 77 students selected on the basis of CAT / MAT/ GMAT scores every year. The focus of DMS is on its premier, 2-year, full-time MBA programme. The course is offered in four semesters. In first year, along with fundamental courses, labs, mandatory non-credit courses are offered to create a holistic learning. After 2nd semester, the students are required to undertake summer training in an organization. In the last semester, the students are required to undertake projects in their chosen area of specialization.

# LIFE AT DMS NIT Warangal

---

Life at DMS is a scintillating journey through education, with a harmonious blend of academic and non-academic learning that goes beyond the conventional classroom method. Teaching methodology in the department is not governed by any rulebook, but by the emancipation of thought process.

The state-of-the-art AC classrooms are equipped with Wi-Fi enabled web-architecture and cyber infrastructure, access to latest software and statistical packages like IBM SPSS & AMOS industry databases like Capitaline Plus and periodically updated electronic journal databases comprising articles of national and international journals. Classroom learning is consolidated by combining "lectures" with real time "case studies" blended with student faculty interactions, student seminars, in-basket exercises, field experiences, presentations and industry interactions with a continuous evaluation pattern.

A great emphasis is also placed on the overall personality development of students to transform them into future leaders. The students, with a great zeal, participate in all the events and also organize academic & cultural activities. Such an eclectic approach to pedagogy unbridles the reigns of traditional thinking to spawn a more holistic line of thought and in turn unleash the latent talents of the students that match the ever-changing competitive landscape in an era of globalization. DMS focuses on inculcating in its participants a broad spectrum of interests encompassing several real-world issues and an ability to become the "Leaders of Tomorrow". No wonder that our alumni are well placed in reputed organizations/ industries.
