She has 19 plus years of rich teaching experience across several universities and colleges in India. She has also participated in a 5 months long Faculty Development Programme organized at IIM, Ahmedabad.

### Institute Profile

Symbiosis School of Banking & Finance was established in the year 2010 to address the growing demand for trained workforce in the Banking and Financial Services Sector. Given that a strong and resilient banking system is critical for fuelling and sustaining growth, the importance of having industry-ready manpower cannot be over-emphasized. This programme - MBA (Banking and Finance) with specialization in Fintech/Financial Services, has been designed to provide the necessary education and skill-sets to equip students to innovate, manage, lead and take on the challenges of this increasingly complex and dynamic sector. SSBF is committed to providing an environment that facilitates learning and development of well-rounded personalities such that they leave the portals of the institute as industry-ready professionals.

The exponential growth of the banking and financial sector in this competitive era has opened up varied career roles. Starting from the Financial and Business Analytics to Assets Management, today the students have numerous options to choose from. SSBF changes its programme structure regularly making it even more industry relevant based on inputs from industry experts. Our MBA also offers in depth knowledge, encompassing the multiple aspects of the Banking, Financial Service and Insurance (BFSI) industry including the technological aspects. We focus more on – inculcating adaptability in students, making them lifelong learners.

In order to ensure that the students are ready to take up the challenges posed by the corporate sector, SSBF also incorporates industry relevant certifications such as NISM, Python, Bloomberg Market Concept and NSE Academy (SMART) and CRISIL certifications etc. as a part of its curriculum. To facilitate students in getting an industry exposure, they have to mandatorily undergo an internship of two months with a Bank, NBFC or a corporate house. To hone the research and analytical skills, students also undertake a dissertation project where they work on a topic

of their interest under the guidance of a faculty mentor. The students are also encouraged and trained to write Research Papers and publish them in renowned journals.

Guest lectures by international faculties are also arranged regularly to broaden the outlook of the students. In order to inculcate the spirit of teamwork and improve their leadership skills students have to be a member of at least one committee like Institute Social Responsibility (ISR), Corporate Interface Team (CIT), E-Cell, Public Relations, Equity Research, Co-Curricular, Sports, Alumni and Placement to name a few. Students are also encouraged to participate in various extracurricular activities, Institute Social Responsibilities (ISR) activities, cultural and sports events to develop personality and grow personally and professionally. Mock Group Discussions – Personal Interviews are arranged for the students which are conducted by industry experts. Special sessions on Interview and Soft Skills are also arranged. SSBF encourages students to appear for examinations of Reserve Bank of India (RBI) and various other Government institutions to give substantial contribution in the growth of our country. Students are encouraged to pursue professional courses such as CFA, FRM and CFP.

Symbiosis School of Banking and Finance (SSBF) is proud to announce that almost every year 100% placement of eligible students is achieved.

Several esteemed organizations like JP Morgan & Chase, Crisil, BNY Mellon, IDFC First Bank etc. offer various roles like Analyst, Management Trainee, Relationship Manager, Wealth Management, Credit Manager, Operation, and Retail Branch Banking in the BFSI Domain.

Similarly various organizations like JP Morgan Chase, CRISIL, RBI and other public sector banks offer summer internships with various roles.

## **Programme Profile**

### **Name of the Programme:**

- **Master of Business Administration (Banking and Finance) [MBA (BF)]**

### **Duration:**

- **Master of Business Administration (Banking and Finance) [MBA (BF)]:** 2-year Full-Time Residential Programme

### **Intake:**

- **Master of Business Administration (Banking and Finance) [MBA (BF)]:** 90 seats

- **Master of Business Administration (Banking and Finance) [MBA (BF)]**

The MBA (Banking and Finance) program with specialization in Fintech/Financial Services is designed with an objective to disseminate relevant knowledge and provide skills to students such that they function effectively in the challenging environment of the Banking, Finance and Insurance (BFSI) sector. The specializations will help equip and empower students with the knowledge and skill required to prosper in the dynamic technology-driven financial environment. The programme develops future BFSI leaders with requisite skills through robust curriculum and collaborative initiatives to excel in the dynamic global environment.

Areas of specialization offered:

- Financial Services
- Fintech

**Eligibility:**

- **Master of Business Administration (Banking and Finance) [MBA (BF)]**

Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Castes/ Scheduled Tribes).

**Important:**

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms

**Admission Process:**

- **Master of Business Administration (Banking and Finance) [MBA (BF)]**

### Orientation and Pedagogy:

SSBF follows innovative teaching pedagogies where the classroom environment is interactive where participative learning permits a free flow of ideas between faculty & students. It comprises of:

- Group Discussions, Scenario Analysis
- Case Studies, Presentations, Role Plays and Field Work
- Analytical Sessions, Simulations and problem-solving exercises
- Seminars and formal lectures
- Research paper discussions
- Article and Report writing
- Access to SWAYAM courses
- Online collaborative platforms with NSE Academy are embedded in the curriculum for providing technology enabled learning environments and developing non-cognitive competencies - through certifications and virtual trading lab
- Financial literacy workshops are conducted by students under the guidance of faculty members as a part of experiential learning for undergraduate students of other Symbiosis institutes, school children, SHG women of nearby villages
- Use of Moodle Learning Management System (LMS) to facilitate the teaching, learning and evaluation process
- Strong emphasis on business analytics with hands-on training on R, Python, Tableau, Power BI and SPSS.
- Access to Bloomberg Terminals to empower students with hands-on knowledge of markets and finance.
