

MBA(FT) ADMISSION BROCHURE *for* INTERNATIONAL STUDENTS

FMS Delhi, established in 1954 under the University of Delhi, has been a leading management institute for 70 years, shaping business leaders, professionals, and entrepreneurs. Originally part of the Delhi School of Economics, it now offers MBA (Full-Time), MBA Executive, MBA Executive (Health Care Administration), and Ph.D. programs.

Known for its interdisciplinary approach and integration with various university departments, FMS provides a well-rounded education, blending theory with industry exposure through mentorship and corporate interactions. Its strong placement record reflects its emphasis on strategic thinking, leadership, and business acumen.

FMS fosters a culture of excellence, inclusivity, and innovation, encouraging students to embrace risk-taking, resilience, and collaboration. With a flexible curriculum and transformative learning environment, it nurtures well-rounded professionals who make a lasting impact in the corporate world and society.

MBA (FULL-TIME) PROGRAMME STRUCTURE

The two-year full-time MBA program at FMS Delhi aims to develop highly skilled professional managers capable of excelling across industries while promoting thought leadership and societal welfare. The curriculum is built on two pillars: a strong analytical foundation in key business functions and high academic flexibility, allowing students to tailor their MBA experience.

In the first year, students gain essential business knowledge through rigorous training and conclude with a Summer Internship to apply management concepts in real-world settings. The second year focuses on professional development, with students refining their learning through electives and interactions with industry leaders. A student must complete 32 courses during the course of this programme.

Designed to align with contemporary business needs, the program nurtures innovative, adaptable, and execution-focused leaders. With small teams, hands-on learning, and a competitive selection process, FMS equips students with the skills to thrive in dynamic corporate environments.
